Tribute from Berdine Jonker

Relation: Family friend.

My condolences to you all. I have a lot of fond memories of Alasdair from going to Kokanee Travel with my parents as a kid, and of course from many times "hanging out" with Rob at the Macdonald home over the years. He was always such a kind person.

Tribute from Jane Green (Mackay)

Relation: Mountain Lakes & music:)

I so enjoyed a lunch connection at Mountain Lakes with my parents, John and Nancy Mackay and Alasdair, such a gentleman with a keen wit. I loved seeing him in the hallway with the birds... A lovely man... he will be missed. Condolences to you all...

Tribute from Jaclyn Dexter

Relation: friend

I enjoyed seeing Alasdair hiking Pulpit Rock or walking on Johnstone Road over the years. He was always such a gentleman and made a point of connecting with me and asking how I am doing or encouraging me in my running. He was such a legend and an inspiration. I missed seeing him over the past several years as I knew he had moved to Mountain Lakes, and I was sure he was dearly missing being active and out in nature. Fly free, Alasdair. Your inspiration lives on.

Tribute from David Reith

Relation: Old friend

A wonderful friend over nearly 70 years - much of it in Scotland in Scourie in the north, and later in bachelor camping holidays in the mountains and the Lake District, as well as on an epic and uncomfortable camping trip for three all round France in a tiny car!

I shall miss my wonderful friend greatly.....
