Thompson Funeral Service Staff send our condolences to family and friends.

#### **Tribute from Ian Thompson**

Relation: good friend

AI was one of my favourite friends of all time. His humble attitude, his giant heart and his thirst for adventure was like no other. He always encouraged me to take chances and push my limits. He was a master mechanic, an animal lover and the very best off road driver I have ever seen. He could get one of his Land Cruisers just about anywhere he wanted it to go. He could also get any vehicle unstuck, always had a plan and a way out. I am so grateful he came to visit me last summer on his way to Winnipeg and my wife and kids were lucky enough to bump into him last summer while he was riding one of his horses down the road near his home. I look forward to hanging out with you again Apey when my time comes.....let the adventure begin!
