Tribute from A. Vinson

Dear Swan Family,

My condolences for your tragic loss of Ms. Allison Swan. From your gracious words, it's clear: she was a lovely, kind, smart, young lady. Particularly, adorning was her love for short legged animals. I love animals as well, even had and enjoyed a short-legged one - a ferret named Elmo. Allison seemed to be someone anyone would have enjoyed meeting. To lose a loved one is difficult in itself. To have that as the result of a sudden, tragic incident adds to the pain.
