Tribute from Glendale Housworth

Relation: Friend

Dear Mike and Gloria,

We were shocked and saddened by the news of Al's passing. He always greeted one with a smile, and a positive attitude. He was humble about his accomplishments. We were so happy for Al that he found such joy these past years.

Tribute from Boris Stefiuk

Relation: Friend and insurance business acquaintance

with sympathy to Al's family. I have known Al for years in business and friendly basis.

I remember our conversations about his mining and quarry business and admired his business abilities. I found him quick witted and engaging. Our conversations in regards to politics were especially memorable.

He will be greatly missed.
