Relation: Aunt Audrey

To the family of the late Audrey Phillips:

My thoughts and prayers are with you all at this time of great loss. Aunt Audrey will always hold a special place in my heart for the years of kindness she so openly expressed to both my mother (Lorraine Byron) and to me. I will surely miss the emails and the Christmas cards that always contained a little letter telling us about how she was doing and all the wonderful things that had been a part of her year. I (and I know my mom) had always been so happy to hear from Audrey.

My deepest and most heartfelt condolences.
