**Tribute from Ulrich Schiller**

Relation: old friend and work college of Deutschland Berlin

Too bad, I ahbe the whole year 2018 trying to reach Bernd aer unfortunately without success  
He did not tell me much about his illness, not even when I had my vacation with Bernd and I miss this  
time. We sat on the roof in the Hottop in the clear sky watched the stars and told old times,

Rest in peace dear buddy

Ulli
