**Tribute from Trish McCarthy**

Relation: Niece and niece's husband

Dear Stephen, Bobbi, Jeanie, Herb, significant others and families,  
Art and I are thinking of you during this sad time as we mourn the death of your beautiful mother Bernice. She was very generous, enthusiastic, creative and (I agree with obit reflection) feisty. As Bernice faced challenging times, she kept her head and moved forward with courage. I try to remember this in my own life. May the memories of your loving mother give you comfort and peace. Some of my family hope to be at her memorial service in October in Niagara. Love and Prayers, Trish and Art

**Tribute from Lainey Dopp**

Jeanie,

I am so sorry to hear of your moms passing. I was a nursing student who did my practicum at mountain lakes and i feel so grateful to have had the opportunity to meet, care and spend time with your mom. I think of her often, and will continue to do so with fond memories. Sending my love
