Dear Kris and Kim We are so saddened to hear about the death of your father.. Carl was a lovely man, kind considerate and really hard-working. When Robin's mother was living over in Sirdar most often times we would see Carl there too he was so good to his mother Esther.. always saw him working for the city and he always had time to chat.. Nikki was the love of his life for sure she is missed .. Plus I've never seen parents so proud of their grandchildren.. What gifts they are. We are thinking of you and sending lots of love.

Tribute from Marla Olson

I am so sorry to hear of Carl's passing he was truly a great human being. I had the pleasure of working with Carl and traveling to Africa with him for work. I always said he was one of the best employees the City and Nelson Hydro ever had. Take care.

My deepest condolences to Carl's family. Carl was a man of very strong work and personal ethics. He was proud and supportive of his children and over-the-moon proud of his granddaughters. He loved the years he worked for the City and Nelson Hydro. Carl could do almost anything he put his mind to do with precision and detailed planning and skilled outcome.

Carl was very happy the day he caught this fish.

Carl; the consummate gentleman, and always willing to help others. When we were building our house, he was my go-to guy at Hydro. And he never let me down. Gone before your time, Carl. Godspeed.
