Tribute from Shauna Trainor-Eggers

Relation: good

Erica, Ashley, Alyssa and families, Your Mom has been a friend and will be missed by all. She saved me more than once if only getting me home safe on a late night or taking the reception job at the dental office when we were in a bind after 2 girls quit. She always did more than was expected and always with a smile. I swear the professional office cleaners were not as thorough as Cheryl was when she was there and everything was organized better than ever! Cheryl sewed my daughters first

communion dress better than any seamstress, and the lovely albums she made me I will cherish forever along with her prized recipes which we enjoyed with tea many times over the past 40+ years. No matter what was going on in life Cheryl always made time to see how others were making out and even in the last years when I was not around as much after moving out to the countryside, she would come out or call and always make the extra effort to stay in touch and be present. It humbles me and makes me want to be a better person for knowing your wonderful Mama but I know her Mom and Dad are there with open arms. We will carry on smiling and giving hugs until we meet again my friend. We were honoured to call you friend but really family is what it felt like as you made all welcome. Love Shauna & Eric & family <3

I worked with Cheryl at Quality Produce years ago, and she was always smiling even when she was cursing at the drivers. She was a warm hearted friend who I have missed for awhile. I stopped in for a visit while she was at Mt. Lakes but she didn't recognize me back then. My heart and thoughts are with all three of you and your families during this difficult time. We came to know Cheryl when she lived at the same condo as us. Always so friendly, helpful, organized, ... full of life.
