I am so sorry that Diane has passed away. Diane was a friend and fellow manager at the Kootenay Lake Forest District. She brought a real positive energy and enthusiasm to our management team. She was truly a delightful character. Attached is a photo of our Cyswogen team entry in 1990. Bob, my heartfelt condolences.

Tribute from Judy Sheppard

Relation: Our paths crossed at the City of Nelson and our Kootenay Rhythm Dragons

After I retired from the City of Nelson, I was still a frequent visitor. So amazed to meet Diane, with her quick wit and warm personality. By this time, my daughter Holli was a City Employee and Diane was a breath of fresh air and my girl RAVED about what a special person she was on the job and in the coffee room. My sincere condolences to the Lines Family as her soul has gone to meet her Saviour. (Her Wishes).

Tribute from Darci Hamilton

Relation: Worked together in the Ministry of Forests

So sad to hear of Diane's passing. My condolences and virtual hugs to Bob and family. Had many great times with Diane over the years, was one of the best teams I worked with in the old Nelson Region. She had such a big laugh and her face would just light up. My heart aches.

Tribute from Rosemary

Relation: Friend and co-worker

Dearest Bob and family,

I worked with and for Diane at the then Ministry of Forests in Nelson. I have many fond memories of our time there. We were a very close knit team and the friendships that were a result were greatly influenced by Diane. She would extend many invitations to her home for scrapbooking or candlelight parties, no pressure to buy, just come and socialize. She had a contagious positivity about her and a "straight from the belly" laugh that could be heard coming out of her office and would put a smile on your face though you had no idea what caused the laughter. She was a caring person, had given me some personal advice that I still reflect on to this day. She had an unshakable faith, a lovely smile and a beautiful soul. My deepest condolences. She will be missed.
