Tribute from Jason Steele

Relation: Family friend back in Richmond Hill

Danny, Eric, Richard and Kato, so very sorry to hear of this news. A heartfelt condolence to you all.

Tribute from Mary Bartle

Relation: Paternal grandfather

I remember Don's gardening expertly and beautifully created in their home in Mississauga. Don's generosity when the grandchildren came from Paris to live with me for the summer.

Now I am grateful to have chatted with him about a month ago.

My sympathies to the family.

Tribute from Doris Fishman

Relation: ACBL Bridge Clubs in Calgary

I had the pleasure of meeting Don Thompson here in Calgary at some of our local duplicate bridge clubs. He made quite the impression as he was such a gentleman. We had heard of his accomplished past. Although he was here for a very short time, I'm sure that many members of the bridge community here will remember him. I know he certainly made an impression on me. Sincere condolences to the family on his passing. He left a wonderful legacy and may good memories sustain you in your sorrow.

With sincere sympathy,

Doris Fishman (on behalf of) ACBL Unit 390

Tribute from Sherry Daley Strong

Relation: Niece

To Eric, Richard, Dan and Kato I would like to offer my condolences on the passing of your father. I recall how excited my father was when your Dad took him to the Hot Stove Lounge at Maple Leaf Gardens. I also recall your father planting his garden at my parent's home. Eric was a baby then. I have many fond memories of your father and mother. Sincerely, Sherry Daley Strong

Tribute from Luisa Mascarenhas

Relation: My ex employer

Dr. Thompson was a very kind and generous person. I owe it to him, to this day for my present employment. He treated me and my colleagues to the very best dinners and shows in town. In spite of his busy life he always found time to give advice for my betterment. He was a very successful and well known Pathologist but yet so humble. I will always be grateful to him for his kindness. He will be forever missed. My sincere condolences to the family. Your father/grandfather was truly a great person.
