Tribute from Patricia Armstrong

Relation: She was my cousin.

To my dear cousin Donna. You were such a caring person, visiting Mom and Dad, your aunt and uncle Earle and Alice Cutler on your daily walks come rain, shine or snow. I remember the family get togethers every Christmas and New Years until our families grew too large. When I found out you were sick I was in disbelief. You were always a picture of health, slim, active and busy. My fondest memories of you are coming on family holidays with us and eating foot long hotdogs. I will forever miss you at our shrinking family gatherings. Love, Pat
