Relation: Family friend

Pat, Catherine, Susan , Doug and families, our hearts break having to say goodbye to Donna but We are honoured to have been able to have a final goodbye in person. Such a gentle soul with a calm nature whom has more than once put life into perspective for me, as some tea parties she was a sounding board and always helped everyone see reality. We will miss our visits and her quick Witt and beautiful smile, but know she is at peace with family and her Beautiful Bobbi girl. Run free my friend...till we meet again. Hugs to all the family and peace knowing she did it her way surrounded by Love.

Sorry to hear of Donnas passing. I worked with Donna many years ago on St. James Street in Winnipeg. She was a very kind, thoughtful and funny person. There are not enough words to describe Donna. You are now at peace.

Relation: family

I only recently connected with Donna while researching our shared Ukrainian family. She was a wealth of knowledge, honest, and a genuinely nice person. I'm thankful for having been able to share some stories with her. Donna, have a safe journey.

**Tribute from Margaret McKee**

Relation: Co-worker/friend

I worked with Donna at Lands Branch years ago, and kept touch off and on over the years. She was a wonderful person and I was sad when she left Winnipeg. I really don't think she had any idea the impression she made on people, and how well liked she was. She faced life with a lot of courage and was a very wise woman. Condolences to her family...she will be so missed.

**Tribute from Allison Tapp**

Relation: Cousin

**Tribute from kate**

Relation: caregiver

I visited Donna for many early mornings and late nights as a caregiver. It was always a pleasure! I'm sorry that our weekly routine came to an abrupt end this spring when my shift changed and we didn't see each other again. She made me a better caregiver in such a gentle, respectful way, and I appreciate her so much for that. We had easy conversations about important things and I will definitely remember some tidbits of wisdom from her forever.
