**Tribute from Kathy Ihde**

Relation: Dorothy was a friend of my Mom's.

Dear Dorothy's Family, I send my deepest condolences to all of you on the passing of your dear Mother, Grandmother, great and great great Grandmother.

My Mother, Josephine Ihde also worked at the Civic Centre and always enjoyed the many visits she had with your Mom, both during their working days as well as retirees. I too have fond memories of being greeted by your mothers gracious presence at the concession stand as a child enjoying the Sunday afternoon family skating events. I made a point of always stopping to say Hi to her at the concession stand. It was great that she was able to stay in her home for as long as she could. She will be greatly missed.
