

**REMEMBERING**  
**Dr Richard WJ McIntyre**  
January 4, 1930 - August 29, 2022

Richard McIntyre's life began on the farm in Stenen, Saskatchewan on January 4, 1930. He felt privileged to provide medical care in many communities for 6 decades across 2 countries, a gift he never took for granted. Doc was delighted to call Kaslo home for his final chapter.

Richard leaves a legacy of those he cared for both professionally and socially: His wife Zoe, all his treasured extended family including daughters: Heather and Moira, (grandchildren Kyle and Lyndsay), his golf buddies, and recreational flying community.

Richard in preparation of his final plans signs off with dignity and respect.

A celebration of life will be held at the Kaslo Golf Club on September 9, 2022 at 2 pm.

"Time well spent, I am extremely grateful for my gift of life." - Dr Richard WJ McIntyre
