Tribute from Linda Blair

Relation: Co worker

My deepest sympathies. I worked with Ed at Procter School. He was an absolute gentleman and the best principal. He always went above and beyond for his students and staff. He was always early at the school flooding and clearing our outdoor skating rink and giving our students the best experience possible. He was supportive, clever, and I'll always remember his smile and twinkle in his eyes. He will be fondly remembered by many. So sorry for his family and friends. He was one of a kind.

Relation: He was a former teacher of mine.

Mr. Sikula was my grade 6 teacher at Hume school. He was a very good teacher. I will always remember his stories about growing up in war torn Austria as a small boy. Condolences to his family. Thank you Mr. Sikula.

Ed was a multitalented man. A respected teacher, a superb craftsman, a skilled outdoorsman and a good neighbour to many. Dean, the boys and I are very sorry to learn of his passing. Please accept our deepest condolences. We are holding all of the families in our thoughts and prayers.

Relation: Friend

For over 30 years I drove to Proctor on almost a weekly basis to visit my friend Ed in his litte gun shop. He was a master craftsman, true gentleman and a dear friend. He will be missed by his many friends. My condolences to his family.
