Tribute from Bill Saliken

Relation: Friend and coworker

Gino; the consummate gentleman, and gentle soul. We worked together at KFP when I was in my university years. Respected by all those who worked alongside. Have had immense respect for his knowledge, unassuming manner, and strong family spirit. His family goes on to represent his teachings, and his example.

Godspeed, Gino; you will be missed.

Relation: Friend and coworker.

Gino, the consummate gentleman and gentle soul. I first met Gino at KFP in my university years. Respected and admired by his coworkers, he had a way of leading by example. His family is now left to carry on his philosophy and example. And I have every confidence that they will do just that.
Godspeed, Gino. You will be missed.
