Tribute from Dale Boucher

Relation: An acquaintance of her daughter Iris.

Iris, I was surprised to read about your mother's passing. While visiting my father at Mountain Lake two years ago, your mother often would join my husband and me for little visits in the hallway or outside when she was on her walk. We developed a nice relationship with her after we told her that our daughter lived in Germany and that I knew you! She was always so pleasant and obviously took pride in her appearance. We are sorry for your loss.

Tribute from Orietta Spence

Relation: Friend

I met your mom, the first time, while working for their accountant. Many years passed and I met her, again, at Mountain Lakes. She had her apartment only a few doors from my mom. Elisabeth was a special person. She took myself and my mom to see the beautiful chairs that she had in her apartment. The chairs were made in Italy. I would visit with her whenever I was visiting my mom. I would find her folding laundry, she did like to keep busy. I would see her looking out the window when I would drive up. We would have coffee and chat. She was very kind to my mom. I wish I could have told her how much we appreciated her befriending my mom. Whenever I saw her she had a smile on her face. RIP Elisabeth.
