Relation: friend of family

I am so sorry to hear of the loss of Eric. I always admired how he held his family and friends in the highest regard as they were so important to him. I will miss his warming and sincere greeting as well as his huge welcoming smile when we occasionally met as we were going about doing our chores in his beloved Nelson. He will be missed.

Tribute from Catherine

Relation: Sister

We are all thinking about you today, our dearest Eric who left us two years ago today. We recognize your spirit in the water and light surrounding the cottage this crisp morning. We here your voice as the back door squeaks open and your "hi there" fills the room. We feel the emptiness that only you could fill; we are so grateful you were with us and so sad that you no longer are. Love your sisters and brother.
