Tribute from Greg Corbett

Relation: Family friend

Our family bought our groceries from Georges store for many years, I remember getting wieners while my parents were shopping, watching George butcher in the back. It was his generosity that kept our family fed, during tough times.

I wish to express my condolences to his family.

Tribute from Don Carmichael

Relation: George is my first cousin on my mother's side of family

My earliest recollection of cousin George was in the grocery store behind the counter as Dad was paying last month's food bill while running up a new charge. George had barrels of olives the size of ping pong balls that he let me fill my face with. The place smelled of bakala (died cod) lying open on the counter. Then it was in the back while he was butchering a bear that got in his way one day. He had to field all my questions about the different textures of meat that came across his butcher table. I could go on but suffice to say there was laughter involved at all my encounters. All the while he kept

the faith and passed the test we all endure.

And it is written in Ecclesiastes that when we die; The dust returns to the ground it came from, and the spirit returns to God who gave it. (Ecclesiastes 12:7)

And the Psalmist says; Precious in the sight of the Lord is the death of His saints. (Psalm 116:15)
