

REMEMBERING
Georgina (Jody) Lee Golik

August 17, 2014 - June 19, 1962

It is with deepest regret and sadness that the family of Jody Golik must announce her passing.

After a yearlong battle with cancer in which she showed a strength and courage so strong it gave everyone around her the strength to cope and carry on.

Jody was a loving, caring mother to our two sons Kyle and Ryan. She was a loving daughter to George and Bobbi Bradley and a constant friend to her sisters Tracy and Carolin, both having spent countless hours helping care for Jody in her final weeks. To everyone that knew Jody knew an angel, always kind, caring and considerate, never having a negative word for anyone.

So on a Sunday afternoon at her favorite place on the couch I sat at her side, we held hands, she took her last breath, slowly closed her eyes and was finally at peace.

To me she was my wife of 32 years, but more than that she was my best friend.

Jody was a very special person and will be dearly missed by all.
