Tears will flow and memories will, also. With the loss of your mother, you will have a flood of emotions. But, you should know that she gave you one of the best gifts ever the gift of her, and that you can forever cherish in your heart. Wishing peace, serenity, and healing.

Tribute from Leah Gray

Relation: friend

Gladys was such an important member of our United Church women's group. She helped out with many memorial services, coffee parties and general events. Gladys always had a smile on her face and something witty to say. She was our "champion cheese cutter". Those who worked with her will know what that means. I was very fond of Gladys and will miss her. My condolences to the family.

Tribute from George E Anderson

Relation: A family friend of Ben & Gladys since the 1940's

Time has passed by so fast ! i always wanted to visit your mom in Nelson on my visits to see Jackie and share some Anderson/Frocklage storys. I felt when covid hit that it was not the right time to visit her.

I just wanted to pass on my condolences today on her passing. I had great memories of our living in "upper" fairview and our families enjoyed living in the outskirts of town and especially sharing the water pipeline from Anderson Creek to the Frocklages. So many great memories growing up !
