Tribute from Shirley Barker-Kirby

Relation: Wife of Gary's cousin Ted Kirby - Mabel and Glen Kirby's son

Dear Sandra and Joey,

I was so sad to hear of Gordon's death. My deep condolences. During my 26 years in Canada, I got to know Gary a little through my husband Ted Kirby, Ev's nephew. We had many conversations and I particularly enjoyed his sense of humour and his insight into the workings of the Post Office! I saw him last time in 2012. However, when I was over last year I bumped into Joey, and I understand at that time, Gary was still up the Slocan Valley. It came as a shock when a joint acquaintance informed me he was in Mountain Lake and then shortly after that he had died, I knew him as a kind, gracious man, and I am so sorry for your loss. My love and thoughts go out to you.

Te Rangimarie ki a korua (Peace to you both).

Arohanui,

Shirley Barker-Kirby

Tribute from Tree Anderson

Relation: A very dear friend

I would like to send my sympathy to Joe and all of Gord's family. Gord was like a big brother to me and one of my best friends. He was always there for me through the tough times but mostly for some of the best times of my life. We learned to ride our motorcycles together and spent many hours enjoying our rides. He taught me how to cook such wonderful meals and we shared a lot of those over the years. Regretfully, life sent us in different directions in the last few years and we did not spend much time together but Gord will always be in my heart and in my memories. I loved you Gord and will miss you, as I know all you will.

Tribute from Jim and Pam and Josh Ross

Relation: Friend

Hi Joe. This came as a shock to us. Hope you are holding up. He's going to be missed that's for sure. I can remember Gary's love for all things food! He was no happier than when he was cooking up a storm...a 12 course feast-fest for a house-full of guests! Just such a great guy. He always had time for a wee chat at the P.O. if he was there when I popped in. Our thoughts and prayers and condolences going out to you Joe and also Sandra. Stay safe bud. Hope to see you sometime. Please do let us know how you are doing. Our email is jamesross10@hotmail.com. Phone: 250-359-7592
