Tribute from Judy & Mel Maglio

Relation: friend

Sandi & Family - We are so sorry to hear that Gordie has made his transition. Gordie loved life. When we would have a chat at a LVR reunion he always spoke about his family with pride. Mel and I were both in Mrs. Ferguson's Choristers with Gordie. I remember being Gordie's partner at the Capitol Theatre where 4 or 5 couples sang, "Tell Me Pretty Maiden!!" Our thoughts and prayers are with you.

I have known Gordie for many years and have many fond memories of him! Very sad to hear of his passing! He was a great help to me and my family when my dad passed who was a long time friend of Gordie's! I'm sure they are enjoying telling there stories together again! Big hugs to the Jeff's family

Relation: I Knew him for decades because he was everywhere in Nelson in his younger days. - a good friend to all

It was a warm summer night in about 1963 when the Royal Canadian Horse soldiers led by Gordon Jeffs invaded the Nelson Hotel beer parlor with vigor. No casualties resulted and a grand time was had by all. Indeed.
