Dear Dianne, Liz, Stuart and family! Your loss of your husband, father, grampa is soooo great and so sad to loose such a powerhouse and sensitive part of your family. My family too. It is heartbreaking and I join with you in your grief. Although our time together was little I have wonderful memories of "Uncle Gordie" (that is the only name I knew him by) and hopefully you will feel a little encouraged by these. As an adult I have few memories of Uncle Gordie. One where our children of similar ages were playing together at your house in Kerrisdale. You and Gord were ever so kind and hospitable. We had so much fun. As I pondered the death of Gordon I was flooded with memories of interactions with my uncle. I'll share a few. One of my fondest involve times when Uncle Gordie would take just me out to Langley with him. We would talk, he would listen and he always made me feel so important and special. To this day whenever I drive under the overpass near the Langley egress I think of those special moments with my uncle. I know those times helped to mold me into the person I am today.

Another memory was of Uncle Gordie arriving at our house looking so tall and handsome in his airforce uniform. He would come on leave and once again he spent time looking great and taking the time to BE with me, talking and taking an interest in me. Another time was the thoughtfulness he showed in choosing Christmas gifts for two little girls, namely my cousin and I. He bought me a set of mini pots and pans and my cousin the dishes to serve the pretend food we prepared on my pots. His thoughtfulness and generosity has stayed with me all these years. I loved it when he came to our house looking so handsome in his airforce uniform. He always took the time to visit with us and pay attention to us kids. One last memory to share today: I remember him lifting me up as a child - by my ears. ha ha. Is that why my ears are long. hee hee. All in all - you guys had a wonderful husband and father. I grieve and mourn your loss with you. Hugs and love Diana

I met Gord and Dianne when I was principal of L.V. Rogers and Stuart and Liz were students. I could tell they both cared deeply about their children's education and helped out whenever they could. I was saddened to learn of Gord's passing, in my opinion, a role-model father who was genuinely engaged in family. My condolences go out to the family. Tribute from Runnningwolf

Relation: I new him from Legion he was a Veteran like I am and also metis like I am also

I met Gordon McGregor At the Nelson Metis association . During this time he had helped me to feel proud of being Metis and helped me to deal with the pain of having been in residential school. We also exchanged memories of what it had took for us to serve our Country as Metis people in different times in our Canadian History. For the time I have known him, he made a great impact in my life as a Veteran and Metis . The last time I saw him was when he was at the old age home in Nelson and that day I was hopping to spend more time with him but because of covid 19 rule I was not permitted. Every time I was going to the Legion it gave me a great happiness when he was there and I could talk to him. I will miss him greatly .He was a great man and I did not know many men in my life that were like him.

I will miss you my friend and I always considered you a BROTHERS IN ARMS even if we did not serve in the same war conflict
