Caroline was beam a light for me, always smiling and doing her best. A lovely women who adored sweet little Tia.

Tribute from Lauren Barrie

My family only knew Caroline for a short couple of years, as she lived next door to my grandma Sandra. My two children (Ryan & Rachel) loved going next door to visit her and Tia - Caroline always like to spoil them with a chocolate 'for right now, and one for the pocket.' Seeing her was always a highlight of our visits to Nelson, we will miss seeing her and it will be oddly quiet not hearing Tia next door. All the best to Caroline's family.

Tribute from Chris Freno

Relation: Childhood friend of son Keith

My first memory of Caroline was as 'Mrs Martin' when she resided on 6th St with her children Keith and Shari. Keith and I became friends in elementary school and our friendship was evident for many years. One summer I got an invite to visit in Osoyoos and between the two growing boys, we almost ate everything edible at her home. I had a great time hanging out with Keith those weeks, on the beach, riding the bike around. Then she became Mrs Hopwood, Both John and Caroline were always so very kind to me. I have the fondest memories of her and John. Bless her soul and all the members of her extended family.
