Tribute from Kyle Ridge

Relation: Family

I am so proud to be related and have known Harold. I would like to share so many good memories, and positive impressions I have of Harold. Every time I saw him he would make me smile, just from his presence, and he would smile in return. He made me feel like he was proud to have me as a young Ridge in the family. Harold was always very supportive of me. Whether I was making a desperate attempt at a garden, or slowly splitting wood for the winter he always was supportive and encouraging; his approval kept me motivated. I will never forget you Harold, and how much you have impacted my life; thank you!

Love Kyle
