Tribute from Helene & Stew Jeffery

Relation: Darlene is our sister-in-law.

Helen was truly a great lady and will be missed. She so loved her family and the extended family gatherings - we were all welcome. She was very competitive in those many crib games and we all got a chuckle at the back and forth banter, especially with Brad. Our condolences to the whole family.

Tribute from Shari Donaldson

Relation: Friend

Helen was such a lovely lady. I was so saddened to hear of her passing. She was one of my late moms best friends (Olga Stewart) they curled in many bonspiels together and worked at the thrift store together and lived at Lakeview in later years- my daughter Kaitlyn served Helen at Lakeview and always let me know how she was- Our deepest condolences

Tribute from Angie & Gerry Cesa

Relation: Former neighbours

We were so saddened to learn of Helen's passing. She was a lovely, dear lady. For many years, our neighbour on Houston Street, we always enjoyed the conversations... whether about the most recent golf game, or a friends adventure, she had that little sparkle in her eyes! Quite the sense of humour, and quite the stories!

Mostly though, the chats would be about family, and you could sense the love she had for all of you. Our deepest sympathies go out to the family.

Tribute from Gerry Stevenson

Relation: Family friend

My deepest condolences to all of Helen's family at this time. I always loved her smile whenever I saw her.
