Tribute from Virginia Blanchard

Relation: Friend

My thoughts are with your family during this difficult time. Your mom was a wonderful lady. Even after I moved away, I would see her at Walmart on my visits home and we would chat. She always wanted to know how I was doing, what I was doing. She was always smiling, always so nice. Rest in peace, Mrs. Mahonen

Relation: Friend

Nathan, Jonnine and families; This was such sad news to receive. I think of your mother as one of the "mothers" that we all knew as kids while growing up in Blewett. Now, more than ever, it would be nice to go back and enjoy childhood again. My sympathy is with you and please know that I am thinking of you all.

Jonnine and family,

Know that we are thinking of you and loving you from Toronto. I (tree) remember how sweet your mom was. Your love for one another was so evident and joyous. To Nathan and Jonnine.

Your mother was truly a Great Aunt Helen(as we often called her) who thought of everyone else and we couldn't help but touch all of us. I recall the sacrifices she made when she made a special trip for Gramma T to see her grandson(my son) at a critical in his life.We are all truly blessed to have known her.

Tribute from Delphi Hoodicoff

Relation: related on the Planedin side

I will always remember Auntie Helen's ever-ready smile and amazing energy. She was a friend to so many people. As a teenager I worked in Woolco (now Walmart) with Helen...and she was there when I got married...when my grandmother (Una Voykin) passed away...when I had my first baby. And I could always count on catching up with her when I went into town to do some shopping. I still look for her in Walmart...I imagine this habit will take some time to break. She was an a wonderful person and we will miss her. Sincere condolences to the family...may you find strength from the many wonderful memories.

Sorry to hear about your Mom's passing, Jonnine.

She was such a bright light to everyone who knew her, and always made us feel special when we saw her at Walmart, taking an interest in how we were doing.

Molly and Walter will really miss her, too.

Tribute from Michelle Cherrington

Relation: acquaintance

I first met Helen at the Greyhound bus depot in Calgary. I was travelling home to Genelle as she was heading home to Nelson. We introduced ourselves to each other, and the whole ride home on the bus we talked. And ever since then I would say to her when I saw her at Walmart until one day this past year I asked if she was working, and I was told that she had retired. Rest easy Helen, your work is done here now. Godspeed to you and your family. :)

Tribute from Brenda MacDonald

Relation: the mall

I am so sorry to hear of Helen's passing. I have missed her at Walmart since her retirement. She was a wonderful lady who always had a smile and sticker for my son, who knew her by name. She was a beautiful person.
