Tribute from Brian and Betty Clarkson

Relation: Friend and Mentor

It was with deep sadness and fond memories to read of the passing of Helmuth. Sadness in the fact he is gone and fondness in recalling some wonderful memories of our times together. I recall as a youth many times standing in front of the Vogue Studio on Ward street staring at the beautiful portraits. From a very young age, Helmuth and Alice were mentors. In midlife we were able to spend many pleasurable hours together, swapping stories and exchanging ideas. He will be forever missed.

Relation: Friend

I have warm childhood memories of visiting with Mr. Mayrhofer and your family in Nelson and playing at Christina Lake. In later years, I enjoyed the emails from Mr. Mayrhofer forwarded to me by my father of jokes (some off-colour) and beautiful photos (none off-colour).

My sincerest condolences. He will be greatly missed!

Your father was a very generous man with his time. 44 years ago he was photographer for our wedding. Years later on a Sunday when the entire family was in town for Ethel's funeral, he created a very special family photo. Your family has continued to create very memorable family photo's. Coming out to the house for photos of us with our horse. Wonderful wedding photos for our daughter's wedding on the beach at Kokanee Creek. We can't thank you enough for all your work. Karen & Joe

Tribute from Norm Wolfe & family

Relation: friend

So terribly sorry to hear of Helmuth's passing! I first met Helmuth in 1966 when he took my 21st Birthday portrait. He was amazing in his attention to detail and over the years was considered our "family photographer" being commissioned for weddings, graduations, and 21st birthdays of the next generation. I always found him to be generous, kind, and patient in his dealings. He was truly an artist. He will be sorely missed. My the family find comfort in the love of their friends and a peace that passes

understanding!
