**Tribute from Barb Dante**

Relation: employer

I am so sorry to hear of Henny's passing and want to express condolences to her family and friends. Years ago I worked with Henny at Nelson & District Home Support Services where she provided community based care to those who lived in her area. After that Henny continued to support others through her volunteer efforts, singing and entertaining. She touched those who knew her and her smile brightened the world.

**Tribute from Einar Schade**

Relation: friend

Some years ago I passed a happily smiling Henny on Baker Street during a busy rush hour. In all this hustle and bustle she was humming a tune to herself. I am certain she is now charming old Saint Peter with her songs.

I feel your pain, Al.

Relation: FRIEND

AL, I WAS SO SORRY TO READ ABOUT HENNY'S PASSING. SHE WAS A WONDERFUL WOMAN, SO KIND AND THOUGHTFUL. IT WAS SUCH A PLEASURE TO GET TO KNOW HER AND ALL OF YOU IN THE "LEMON TART GROUP". I WILL MISS HER A LOT. I HOPE YOU ARE DOING WELL, MY SYMPATHIES ARE WITH YOU

**Tribute from Victor Neufeld, Wendy Herbison**

Relation: friends and former neighbour

Henny was the most wonderful neighbour at Longbeach, a friend, and fellow lover of music, especially choral music. As a neighbour she was most generous to me and my family and her sense of humour was contagious. We'll miss her and we wish Alan, Elke and Paul and her extended family all the best and send our condolences.

Relation: Dear friend

I will always remember the wonderful working relationship we had at Willowhaven where we met. Henny was always dear to me and we often laughed over times remembered. She will be missed by all .
