Mom...Jen,Dave,

Condolences to a family who was my second family growing up, your house always open to all of us..My memories of Terry are the best, his laughter, his kind words, his encouragement, his willingness to listen, his booming voice from behind the plate as an umpire, to that same booming voice MR BURGOYNE GET OUT OF MY CHAIR....and "don't you have somewhere else to be"..Knowing full well he loved us being there..

Thank you Terry for raising an amazing family, not just your own, but all of us...Watch a ball game with Rich and say Hi, love you all..
