Herbie was a great friend of mine and our entire family for many decades. Even though I have moved away from Balfour many years ago I tried as often as I could to stop in for a long visit and cup of tea. Herb you will be missed by everyone you touched but will never be forgotten. My heartfelt condolences, thoughts and prayers are with the family at a time as tough as this.

Tribute from Eric and Ann Sargent

Relation: Friend of Larry and Gordon since our teens

Our thoughts are with you all. From the time we were teenagers, your dad held a place of respect and admiration in my life and it was such a pleasure to reconnect in recent years. Always kind, thoughtful, and happy to chat, he was an inspiration for a life well lived and for aging with grace. With his passing, an icon has left us. May your many special memories provide comfort at this time and in the years to come.
