July 21, 1943 - July 13, 2022

Tribute from Thompson Funeral Services Ltd.

Thompson Funeral Service Staff send our condolences to family and friends.

Tribute from Rick Crozier

Relation: He was a friend and co-worker

I was shocked and saddened to hear of John's passing. We spent many years working together as managers with the Ministry of Environment.

John was always upbeat and I thought of him as a mentor when I moved into the management role. Our sons played hockey together so we spent many a morning at the hockey rink watching them play and practice.

John and Mary lived "up the hill from us" so we were neighbours as well and John and I often walked to work together.

I have so many fond memories of John and the family.

I know you all must be so sad but you were so fortunate to have a man like John as part of your lives.

Tribute from Elaine (Dyck) Owen

Relation: He was my Uncle.

Dearest Aunt Mary, Trevor and Ryan and families. Uncle John will always have a special place in my heart. His kind and encouraging words as well as his lovey hugs always made me feel special. His faith shone through everything he did. My deepest condolences in this sad time.

Tribute from Allan Zackodnik

Relation: A friend and coworker

John was a special friend.. We worked together in my early years as an engineer in training and he taught me many things that served me well over the 35 years of my career. John was a patient man, never critical and always encouraging. I recall many of his sayings. "Any retaining wall over 2 feet in height should be engineered". "Allan, your truck rides like a lumber wagon. Does it even have springs?" "How much fire wood will it carry". Remember, if you use my wiring schematics that I'm not an electrical engineer". John loved his work and spent a whole day of his weekend explaining his design of a dam spillway simply because I showed an interest; we had planned to go golfing. I will miss the man. A man of strong moral fibre. A man who loved his family. A dear friend. So sorry to learn of his passing. A great loss.

Tribute from John Wiebe

Relation: Cousin

Mary and family; I'm so sorry to hear about John's passing and while you reflect on his journey through life here on earth, take solace in that he is now in heaven and re-united with Kerry. All those little chores you had set aside for him will have to wait. May God bless you and keep you. John Wiebe

Tribute from Adele and Fred Owatz

Relation: Friends and Mary and I taught beside each other at RJ Davidson School, Regina.

Dear Mary and your wonderful supportive family, We knew each other and had several interactions with you and John over the years. During Covid while staying at Todd's we were not able to visit but I did think of both of you in your new abode. It was always a happy catch up visit to see both of you and hear about the families of your sons. Very sadly, we both lost our precious sons and now unexpectedly John. I know you have great memories and so many happy times. May those keep you warm and comforting as you go through the days ahead. Visit anytime and if we should ever happen that way again we will call in. Love and hugs to all of you as you go through the days ahead.
