I was sorry to hear of John's passing. He was a talented diverse person who excelled at what ever he tried. I enjoyed our talks when we our paths crossed.

Relation: friend and customer

A wonderful personality that was impossible to forget. John was a pleasure to talk to and I enjoyed his conversation at every opportunity. He will be sorely missed.

Tribute from Manfred Junger

Relation: Childhood friend and neighbour

I am sad to hear of John's passing.

Many fond childhood memories come to mind and I was happy to reconnect with John at L.V. Roger's 35th High School Reunion.

May he rest in peace.

Tribute from Liana Shulver

Relation: Childhood friend

RIP, Johnny. You were taken a little early. I have tons of memories of all our get-togethers as children/teens playing hide-and-go-seek, baseball, birthday parties, making forts in the winter in the 1950s.

Tribute from Daniel Joseph Bachynski

Relation: childhood friend

Sorry to hear of John's sudden passing but I knew he had been ill for some time. Last spoke to him at the car show in Nelson last Sept. Don't know if he has any surviving relatives?

Tribute from Grace (Voykin) Kolle

Relation: Childhood friend

I have many childhood memories of us. I still have the picture of us in his yard, the most beautiful flower gardens in Rosemont, sitting in a wheel barrow, holding kittens at the age of 4. I also have a picture of us at grade 10 initiation. And many fun times in between. Rest in Peace, Johnny!!

Tribute from Joe and Shirley Karasz

Relation: classmate and neighbour of Joe's

We are so sorry to hear about John's passing. We always enjoyed reminiscing with him at the LVR reunions.

Tribute from Steve and Patricia Goldsmith

Relation: neighbourhood friends

John and I , Arlene, Leana, Bob, Manfred, Joan, Grace, Faye, Jackie, and many others played ball on most summer evenings. John and I remained friends all through the years.

He was an enthusiastic collector of the 1960 cars, and had a fine collection.

Rest in peace my friend.

Hey John,

Sorry we lost touch. I'm still in the lower mainland where you were so thrilled to have your picture and name on the bus stop benches(realator). Who would have thought that we have all gotten so old! Rest in Peace old friend!
