Tribute from Terri Snyder & Family

Relation: Family Neighbour/Friend

The passing of J.J has come as such a shock. Too young I remember meeting J.J about 10 years ago when he would come with his sister Jamie to catch the school bus. Many times he'd have his hockey & I'd hear him doing slap shots in his back yard. He got older and came by sometimes for a visit, always talking about his amazing trips with his fantastic friends & family. My condolences to his family & prayers for healing too. J.J keep on tracking the world & rest in peace. You will be missed.

J.J My awesome buddy

I got the chance to meet you in Thailand and what a blast we had, in such short time i decided to travel along my last 1,5 weeks with you,ryan and joel. I rembered and still talk about that fun and crazy night when i got arrested by thai police for nudity and you helped me out, YOU bailed me out! you have known me for 2 days and you bailed me out, Dude you were such a kind soul, funny and you always had a smile on your face. Your pass away came as a big shock to me, i couldnt believe it first and after 1 day i just sat and watched picture from that awesome trip. We talked about me coming over to canada and meet up with you guys and have a big blast again. Sorry i couldnt come sooner! All my thoughts goes to your friends and your family, You are a legend Jj and i will always miss you. I see you and your smile when you open the gates for me!
