George and family

We were very saddened to learn of Karen's passing. We didn't know her well, but we were very fond of her. We enjoyed listening to her laugh on those occasions that we were in the store. We appreciated her gifts of plants and bulbs. We know she has left an enormous hole in your hearts, but hopefully your memories will fill it before too much longer.

Tribute from Darlene Johnson

Relation: Kaslo resident

I liked Karen. I admired her & looked up to her. I was impressed by her strength of character. Knowing the rest of the family and having Kelly work with us (at Digital Services) in the late 1990s was a pleasure too. George, my parents (Mary & Ole) always spoke fondly of the Nelson family & appreciated knowing them in Silverton. Thanks for the good service your family provided for the community during your years of hard work at the hardware store. In later years, I was amazed that Karen tended to Lib in the morning before going to work. I'm glad Karen helped keep operations together at T&H so local employment was available for families. My girls (Dalouie, Sandy, Abby) benefited from figure skating lessons which were only possible due to the efforts of parents like Karen. I'm sorry Karen had to deal with medical problems during her last years. She's been a good example to us all of how to enjoy a full life!
