Tribute from Laurie Sittler

Relation: Friend and Neighbour

Please accept our deepest condolences for your family's loss. I am honored and blessed to have known Kathy. I will miss her. A person that departs from this earth never truly leaves, for they are still alive in our hearts and minds, through us, they live on and especially with the painted items Kathy gave away to lots of us she will not be forgotten.

"Like a bird singing in the rain, let grateful memories survive in time of sorrow." -Robert Louis Stevenson

Kathy always told me I was not made of sugar so I would not melt in the rain so come on over and visit. I will miss our chats very much.

Tribute from Susan Heather Wiese

Relation: Family friend

Good- bye, Ms Kathy, until we meet again. I have always admired your spunk and sass. I'm very honoured to have met you.

Tribute from Cheri McEwen

Relation: Patient in our clinic

I'm going to miss her, she always kept me amused with her sharp wit when she would come into our office. Rest in Peace.

Tribute from Annie

My sincere condolences to your family.

I worked at Coles bookstore and it was always such a pleasure when Kathleen came in looking for her latest read. Our conversations always started with books but inevitably wandered on to so many

different topics. Kathleen shared her pie crust recipe with me when I confessed to her that as much as I loved to bake, my pie making skills were seriously lacking.
Such a wonderful, and yes, feisty woman. That's one of the things that I loved about her.

Tribute from Kim Phillips

Relation: Family friend growing up

Kevin and Leanne; I am so very sorry to hear the news of your mom's passing. Please accept my sincere condolences. She was quite the feisty and sassy lady; reading her obituary brought back a flood of good memories growing up. Rest In Peace Kathy
