Tribute from Allan Fry

Relation: We were work mates for many years at Celgar Pulp

So sad to hear of Kevan's passing. Kevan and I worked together for many years in the Machine room at Celgar. We also curled together in retirement in the Castlegar's seniors Curling league. He was always a great friend and had a wonderful sense of humour, with a great infectious laugh. We had many many discussions over the years about music, guitars and life in general. Whenever I drive through Winlaw I will give a wink and a nod in silent toast to a wonderful friend and workmate. His wonderful smile will be remembered!
