Tribute from Natalie Petersen

Relation: We were neighbours as kids.

My condolences to Kevin's kids Shayne and Amy. I also extend my condolences to Debbie and Karri. Kevin and his family and my family were neighbours. We grew up across the street from each other. Right by the fire hall. You will be missed, Kevin.

Tribute from David Cherry

Relation: friend

Diane and I are deeply saddened by Kevin's untimely death. He was a great sailor especially when things got hairy. We will certainly miss him. Our sincere condolences to his family and all those who connected with him.

Tribute from Tonnie Stewart

Relation: Friends since kindergarten

I am sorry for your family's loss. I've known Kev since we were in kindergarten and I'll miss his calm ways and corny jokes - his love of music, cars and the water. His voice resonates in my head as one of the most familiar sounds I know.

Love Red

Tribute from Shaun vecchio

Relation: Friend

Where do I begin? Kevin was one of the most giving people I've ever known. A true friend. A caring dad. And a definite flare for travel. Kevin was always there when you needed him. Kevin was my best man at my wedding and someone who will remain with me forever in my heart and in my mind. Truly truly a heart breaking loss
