Dear Ken, both Colin and I were so sorry to read of Marion's death . I do know that she has struggled bravely for some time with ill health and hope that you can find comfort in the fact that she now is at peace . May you also find comfort in the knowledge that together you made a huge contribution to the life of Nelson both in Medicine and in many different aspects of the City's life . Our warmest condolences to you and all your family . Irene and Colin McIlwaine

**Tribute from Amber Santos**

Dear Nancy, Ian, Ken and Family,

I am sending my deepest sentiments in your time of loss. I'm so grateful for having known Marion, or as I knew her as a teen, "Mrs.Muth." I remember many, many lunchtime hours from LVR at your home, eating lunch and watching Disney in your basement. Marion always had the kindest smile and loveliest sense of humor. Your home was a warm and safe place for me as a youth. Thank -you for that. Marion will be eternally missed. May her next phase be filled with light. with love, Amber

**Tribute from Linda Taylor for Second Wind**

Relation: Fellow Second Wind Member

On behalf of The Second Wind Music Group I wish to express our sincere condolences to Dr. Ken Muth and family.

Marion was an enthusiastic member of the group and contributed her all to making each performance special for those we visit . She particularly enjoyed the Scottish Programme we do each January, and even organized a number of members to learn a couple of Scottish dances they performed at each of the Sr. Homes that month.

As we always dress to a theme each month, Marion always added unusual hats, lovely Scottish Kilts, and even a sprig of green for the Irish month.

She is sadly missed by all her Second Wind friends.
