**Tribute from John and Pat Dooley**

Relation: Community member

On behalf of the Dooley family, we were so sorry to hear of Marty's passing. His legacy in this community is incredible to read about. We will never forget attending Khaos, which he produced. May he rest in peace and may his family remember him with much pride.

**Tribute from Gay (Hufty) Black**

Relation: Friend

In loving memory of a life well lived. Marty was my first friend and I have the fondest memories of our childhood across the alley from the Horswills. We skated on Horswills backyard skating rink, played ball and ante i over Gibbons garage. We were so lucky to live in such a great neighbourhood! My sincere condolences to Marty's family.
