Relation: Elaine (Gus's wife was my father's first cousin)

My deepest condolences to Mike, Donna and families.

Warms my heart knowing Gus & Elaine are together again!

They were the best humans to have as relatives, we were also so cherished to have them in our lives.

Rest in Peace Gus, I'll be watching those Jays with you xo

Love Denise

Tribute from Linda Zeznik

Relation: known Gus my entire life

Dear Michael , Donna and family

My heart hurts for your loss of Gus. Also your precious Mom. It seems so natural that they are now together again ,as this is how I always remember them. As we know, our parents were friends since school , both of them in my parents wedding party, and even going on my parents honeymoon together.

I loved them both so much and miss Mom telling me of a visit they had enjoyed when they saw each other . The memories of Gus and Elaine are rich and endless. From Gus taking us to see Santa when Dad was working out of town, to seeing them Sundays at church , I will always have them in my heart.

They were so good to me when I would be going through hard times .I feel like the chain is now broken , with both Gus and Elaine and Dad now gone. I think of them especially now when I hear the beautiful Israel "IZ" version of Over the Rainbow or Hallelujah.

Thinking of you with love, Linda

Happy Birthday Gus

I had the privilege of celebrating your birthday with Danielle (she is an amazing woman, how blessed you and Elaine are to have her as a granddaughter xo)

In honour of you, we watched The Jays, had lil rum a few buds. He double hockey sticks, Danielle and I vibe down a win against those Yankees.

That's 7 in a row....3rd in the east.

Almost there...

We miss you!
