**Tribute from Corinne Postnikoff**

Relation: as a "fellow" teacher

I do recall Michael from his teaching days in Castlegar. Definitely he was "delightful" to his colleagues and students. I wasn't aware of all his adventures but I am sure he put "heart and soul" into all that he did. Sincere condolences to his family and friends.

Relation: Friends from Parker Lakes in Fort Myers

Noreen and family

Phil and I were very saddened to hear about Mike. We considered him a good friend and enjoyed our times together. Our gatherings in Grand View will not be the same without "Canadian Mike". He will be missed! Our thoughts and prayers are with your family.

**Tribute from Greg Archibald**

Relation: I taught with Mike for quite a number of years at Kinnaird Elementary.

Hi Noreen and family,

Barbara and I were truly saddened to hear of Mike's passing. We are holding good thoughts for you and for Mike.

I carry fond memories of Mike. He was at his most creative writing plays like 'We Were Great in' '58' and 'The Ghost Of John Lennon' for Kinnaird Elementary's Arts Nights.

Because of Barbara's compromised immune system we are avoiding crowds, and as a result, unfortunately, we won't be attending Mike's wake. We will, however, be with you in spirit and will raise a glass to Mike that day.

With kind thoughts and condolences,  
Greg and Barbara Archibald

**Tribute from Nona German**

Relation: I â€˜babysatâ€™ their children all through high school in Yellowknife.

Sincere condolences to all those who knew and loved him..... family and friends. Your family has never left my thoughts over the years. Mike will be missed!
