Tribute from Thomas Martin Smith

Relation: He was my brother.

Mike was a rugged, independent young man, a real "do-it-yourselfer"... gone way too soon. He was loved by his family and some close friends. He loved Nature and the outdoors, his pet dog and cat and his somewhat remote lifestyle amid the mountains and lakes of eastern British Columbia. Always willing to lend a hand, that was Mike. He was close to our mother, the late Gwen Hale and our sister, the late Marilyn Fessler (Mike handled her estate). All three lived in the Kalso / Kootenay Lake area for 30 years. Now all gone. My brother Mike, my Mom, and my sister, Marilyn are sorely missed but they have returned to God, Nature, and the Universe... and they are cherished along with my Dad in smiles and memories. And that photo of Mike as his dog - a photo I'm proud to have taken of them at Mike's home.
