Tribute from Jessica Luther

Relation: ymir buddies

I only lived in Ymir for a brief year. But Mitch is someone I will never forget and always tell stories about. He was wild and free and I loved that! I have nothing but positive loving memories of the times spent around fires in the free camping by the river and being entertained in his "man cave" garage. He lived life to the fullest and that's very rare these days.

My favourite thing about Mitch (and Tracey for that matter) is that when I moved to Ymir they both welcomed me in with open arms even though I was 19. They took care of me and treated me with the utmost love and respect. Nobody made me feel more welcome in Ymir than Mitch and Tracey.

You will forever be missed Mitch! Watch over me until I meet you there! :-) :-) :-)
