Loved Miyo! Such a lovely woman, so warm and always smiling. She was someone that always felt like a best friend.

Tribute from Shirley J Tennant

Relation: Long time acquaintance.

I knew Miyo for many years, from her time at Super Valu and then in later years when she was with the Kootenay Quilters (my Mom belonged also and I was her chauffeur for many years and got to know many of the quilters including getting reacquainted with Miyo. I also worked in the IWA office and knew Sue as a member of the IWA. She always had a smile for you when you met her anywhere. Wishes of comfort and peace as you tuck your Mom away in your heart full of memories.

Relation: Worked with Miyo (friend)

I worked with Miyo at Super Valu. Your Mom was an amazing lady. All those ladies you mentioned took us under their wing and treated us so well I had just gone to see Miyo about 4-5 years ago. She had called me to ask for a favour and we had a great visit. . Condolences to you all. May she Rest In Peace and be home with your Dad and brother. Hugs

Your mom was a real gem - I only met her a couple times to tell her story for the short film about her life for Touchstones Nelson. I hope that you can share this with her network and enjoy it. I may have sent it to you already. Sorry for your loss - what a legacy of kindness and a delightful laugh. Here is the link to her video: <https://vimeo.com/491408424>

My mom (Joan) lived across the hall from your mom at Lakeview in Nelson and had nothing but nice things to say about your mom. She seemed like a very kind and caring person. We're very sorry for your loss.

Tribute from Petra Lehmann

Relation: as a client

Dear Karen and family, I was sad to hear of Miyo's passing. Over the many years we worked together, keeping her moving, we shared many conversations, about both of our lives. She could always make me laugh, and also shared much about the harder times in her life. She was a strong, courageous, kind, intelligent and hard working woman. I was glad to have known her.
