Thompson Funeral Service Staff send our condolences to family and friends.

Tribute from Kendall McPherson

Relation: Friend

I went to college with Molly in 1996 and really enjoyed her wit and humour. Just ran into her again a few months ago and had a great chat. Her commitment to working with Ankors seemed to be a settled place for Molly and I am sorry she didnt have more time to spend with helping others she cared for. My condolences to the family.

Tribute from Leah Nelson

Relation: Friend

Condolences to all the Family. Molly was a dear friend when we were teens, many moons ago. We were young and shared many wonderful times together.

Tribute from Heidi De Guglielmo

Relation: Neighbor

I am so sorry to hear of Molly's passing. My deepest sympathy. I remember as her neighbor on Nelson Avenue playing in our yards with Shirley.

Tribute from Deanna Hansen

Relation: Friend

My sympathy to Molly's family. Molly was my first friend when I moved to Vancouver. We met at work and then soon lived in a communal house together with visits to her family in Nelson. Molly and I shared an apartment in Nelson and then again when we were back in Vancouver. Have wonderful memories of our times together before we went our separate ways in 1990. Was thinking of her today as her birthday is coming up and found her obituary which saddened me greatly. She will always have a special place in my heart as she opened her heart and home to me when we met. Sending love and

hugs to her family. Deanna
