Margaret and family, I am so sorry to hear of Morley's passing. I used to see him almost every day at Highways when he would bring in the DAC cards for me to process....always a smile on his face and something nice to say. He was one of a kind!! Keeping you all in my thoughts and prayers!

Dear Margaret, Darrell, Todd and families,

We were very sorry to hear of Morley's passing. I remember him from growing up in Kaslo, and in later years as we raised our family in Nelson.

His work with Highways is well known. In recent years, it was nice to see him at the gym. We remember your family as a group of very nice people, and hope that your memories of Morley will sustain you.

Sincerely, John and Pat Dooley

To The Morley Hyatt family from Bill Berry..Morley 's passing is the loss of a great guy. I remember him mostly in connection with snowmobiles. We had some great times and when conditions/terrains were tough Morley led the way! He was fearless in what he did. Thanks for the memories and so long

for now...Bill

Relation: I worked at Highways the same time as Morley

Dear Marg, Darrell and Todd. We are so saddened to hear that Morley has left us for now. I worked at the Ministry of Highways the same time as Morley - Mr. Kent and all the crew. It was the best 6 years of my working career. Morely was such a happy man and he just made everyone smile every time he came into the office. He will certainly be missed. Take care of each other.
