**Tribute from Len Butler**

Relation: Friend

It is with sadness that Charlene and I received the news of Myles passing. Myles had long retired when I came to Nelson in 1991 but we immediately hit it off. In the 2000's Myles had mentioned to me

that he had not been to Gerard to see the spawning channel in years. We made a plan and Myles and I patrolled to Gerard, Trout Lk and around back to Nelson. His stories of old Game Wardens, his humor and his love for life has always stayed with me and my family. We did find out early that you had better not mention you needed an item because the next day you would get a truck load of those items. He was a good friend and will be missed by my entire family. Len and Charlene Butler

**Tribute from Gerry Fox**

Relation: Nelson Star

I met this great man in 1978 when I first worked for the Fish and Wildlife Branch. I was privileged to work with him for many years until he retired. I was so happy to bump into him at the Kelowna Walmart about 4 years ago....still going strong. They don't come any better! A gentleman and a character.

Relation: Family friend - I lived with the Crowley's in my late teens

In my late teens I was fortunate enough to live with the Crowley's and be included as a part of the family, for that I am forever grateful. Myles, truly a great individual and as the story goes "he was always there". Sincere condolences to Denise and the Crowley family. Rest in peace Mel.
